

Transfer Major Sheet

Engineering

It is the student's responsibility to check the current catalog and www.assist.org for articulation agreements and any changes which may occur. Note: Courses listed below may require prerequisite coursework.

UC Irvine				
Students are advised to make early progress toward core engineering courses (ENGR), mathematics and physics courses. If a program is accredited by ABET (Accreditation Board of Engineering Technology), there are specific general education guidelines. Consult individual college catalog for clarification				
B.S. Aerospace	B.S. BioMedical B.S. BioMedical: Pre-Med	B.S. Chemical	B.S. Civil	B.S. Computer
